

Expression of Interest for Artists and Photographers

This project is committed to:

- Narrating the landscape through art and stories
- Holding the Caithness Art and Stone Festival in August 2025
- Commitment to Equality, Diversity and Inclusion (EDI)
- Promoting an ethical relationship with the environment

We ask if you would be interested in attending a free, online training course with Diversity Scotland. This year the topic will be “Communication in Art”, within the context of EDI and will run in Feb/Mar ‘25. If you answer “yes”, we will contact you when the course has been arranged.

This project is funding-dependent and this form may be used as evidence for funding applications. Send this form with your application to sidhchailleannart@gmail.com.
